

1 A That -- that would have been what I would
2 have read to them. It would have been the face of
3 the search warrant.

4 Q Did you read them just page 1?

5 A That's it. That's all I had.

6 Q That's all that was with you?

7 A Yes.

8 Q Did you leave a copy of the warrant with
9 them?

10 A Yes, I did.

11 Q The copy that you left with the
12 Biroschaks, was that only the first page?

13 A Yes, it was.

14 Q In the command portion of the warrant
15 where it tells you what you are to seize, what
16 you're to search and seize, it says, "See attached
17 affidavit" --

18 A Correct.

19 Q -- right? And to know what you're
20 supposed to search and seize, you have to have the
21 affidavit; correct?

22 A No. I knew we were looking for drugs and
23 weapons. And I advised them of that verbally. I
24 did not have an affidavit to leave with them. We
25 don't leave affidavits at the residence.

1 know whether this warrant authorized anybody to
2 search for weapons at 922 Vine?

3 MR. KAMINSKI: Object to the question.

4 And please go ahead and answer to the best of
5 your ability.

6 A My understanding from Charlie
7 Stiegelmeyer, the case agent, was that I was looking
8 for assault weapons and controlled substances.

9 Q Now, tell me about the protocol that you
10 used to execute the search at the Biroschak
11 residence. Where did your people go and what did
12 you have them look at?

13 A They searched the entirety of the
14 residence. I stayed primarily in the kitchen area.
15 I had cleaned off the dining -- the kitchen table
16 and utilized that as a reception area for anything
17 that they would have found to -- that was to be
18 seized.

19 Q Did you do the inventory?

20 A Yes.

21 Q You left a copy of the inventory with
22 Mrs. Biroschak; right?

23 A Yes, I did.

24 Q Did the people under your control go to
25 all areas of the residence, including the basement?
